## Employment

### High School English Teacher – Stanton Community Schools

Aug. 2021 – May 2023

- Developed and implemented comprehensive lesson plans aligned with the school curriculum and educational standards.
- Effectively taught grammar, literature, writing skills, and critical thinking to diverse groups of students, adapting teaching methods to accommodate various learning styles.
- Provided individual support and guidance to students, including those with learning challenges, to ensure academic progress and success.
- Evaluated student performance through assessments, assignments, and examinations, providing constructive feedback to facilitate improvement.

### Substitute Teacher – Norfolk Public Schools & Stanton Community Schools

Aug. 2018 – May 2021

- Implemented pre-planned lesson plans and instructional materials effectively to ensure a seamless educational experience for students.
- Managed classroom dynamics and behavior to create a conducive learning environment fostering a positive and productive atmosphere.
- Supported student learning by addressing questions, providing guidance, and offering academic assistance as needed.
- Recognized for reliability and flexibility in handling various grade levels and subject matters.

### YMCA Tennis Instructor

May 2017 – July 2022

- Conducted individual and group tennis lessons for players of varying skill levels and age groups, focusing on skill development, technique improvement, and game strategy.
- Created customized training programs tailored to the specific needs and goals of each player, enhancing their overall performance and proficiency.
- Organized and coordinated tennis clinics and camps, fostering a competitive yet supportive environment for players to refine their skills.
- Developed strong relationships with players and their families, addressing concerns, providing progress updates, and offering guidance on skill development and training routines.
- Successfully implemented training programs, resulting in noticeable improvements in player skills and performance levels and allowing players to reach their goals.

### Hy-Vee East – Kitchen Staff & Central Pay Clerk

July 2010 – August 2018

- Managed customer orders, ensuring accuracy and timeliness in service while providing exceptional hospitality and addressing customer inquiries and concerns.
- Maintained a clean and organized work environment, including food preparation areas, cooking surfaces, and dining areas in accordance with health and safety standards.
- Assisted in inventory management, including stocking and rotating food items, to minimize waste and ensure sufficient supplies for daily operations.
- Recognized for exceptional customer service, receiving positive feedback and commendations from customers and management.
